LFHS Classics	Hansen	3:20	Room 601	3 of 5	1:50

\*Teams without regional competition will advance only if they've shown a good faith effort.

**Primary Awards will be held in the Atrium approx. 12:00**

**All Divisions' Awards Ceremony should begin approx. 5:30pm in the gym**

**Teams and their coaches ONLY will line up in the Auditorium by 5:00.**

**Gym Doors will open by 5:00 for Spectators.**

**IMPORTANT NOTES FROM YOUR COORDINATOR**

- Your coach will tell you exactly what time they need your child at Lake Forest High School on March 9.
- The **Long Term** time is when the kids perform and you can watch.
- Leave yourself plenty of time to arrive at the Performance Area. Doors can close early and they will not open them up when a performance has started no matter who you are!!! If you cause a scene, penalties can be levied against the children. True Story! It's happened!
  - If you have relatives and friends coming, make sure they clearly understand this and know exactly where they're going. Disappointed Grandparents are hard on the heart.
- **Spontaneous** is when they go with JUST their coach to the library. The coach will arrange meeting places before and after. Please have your child there ON TIME so the team/coach doesn't get stressed.
- A document is attached to this with Parent Dos and Don'ts. Please read carefully so you are prepared for competition day. There are many things that we could do innocently that would cause our teams to be penalized.
- Students are to be under a parent or coach's "control" at all times. Every OMer is expected to represent LF properly. Kids should never be roaming freely. This inevitably leads to problems. I take our LF OM reputation quite serious and I appreciate all of our LF OM families doing the same. Thanks
- **Please be sure to take in as many LF performances as possible including seeing a variety of problems.**
- There will be Food Trucks on site and food will also be for sale in the cafeteria. Tables there are for eating only. You'll not be able to "set up camp". **There is to be no cooking or food prep on site by spectators by order of Delaware's Board of Health!**
- No Food or Drink will be allowed in the Auditorium, Gym or Classrooms.

Have a Great Day and Good Luck to All our Div. I, II and III teams competing to make it to States on March 30<sup>th</sup>!!

*Pam Hobbs*
